## WORK EXPERIENCE

SEPTEMBER 2021 - PRESENT

### PRETTY LITTLE THING - WAREHOUSE OPERATIVE

Within my time working at PLT/BOOHOO I have gathered multiple different skills that allowed me to complete different roles which include picking, packing, stock control, inbound, automation picking and lift marshalling. My role was to assist the efficiency and flow of our customer's orders, which I fulfilled by working to my hardest ability.

## SKILLS

- Problem Solving
- Teamwork
- Critical Thinking
- Time Management
- Adaptability
- Bilingual
- Computer skills
- Motivation

## HOBBIES AND INTERESTS

In my spare time I enjoy staying active and socialising with my friends. I also like playing intellectual video games that stimulate my brain. I am passionate about engineering as it fascinates me by having the ability to create physical objects and machines out of ideas. I also have interests in computing, programming and experimenting with different software and hardware as it allows me to visualise my ideas. As well as that, in my spare time I enjoy creating projects to learn and further build my knowledge of the language, an example of this being this [portfolio website](#) I created:
